ANNUAL GENERAL MEETING OF SHAREHOLDERS

JANUARY 15, 1966

The President's Report

TO OUR SHAREHOLDERS:

Your directors are pleased to present the Consolidated Balance Sheet of your Company, and Statement of Profit and Loss and Surplus, for the year ended October 31, 1965.

EARNINGS:

The consolidated net earnings for the fiscal year of 1965 are \$88,143. after taxes and all other charges, which is an increase of 7% over the net profit in 1964 of \$83,320. Earnings per share on the combined class "A" and Common Shares are \$1.10 per share in 1965 compared with \$1.04 per share in 1964.

DIVIDENDS:

Dividends of \$1.00 per share were paid on Class "A" stock and \$.40 per share on the Common stock of the company during the year. This is the 37th consecutive year since the inception of Biltmore Hats Limited as a public company in 1929, that a dividend has been paid.

FINANCIAL:

The first instalment of the long term 6% note was paid in 1965 reducing the long term liability on the Balance Sheet to \$62,500.

MARKETING:

The Cloth Hat & Cap sales were down slightly from the prior year, but our backlog of orders for this division is at an all time high, and steps have been taken during the year, to increase production facilities. Due to climatic conditions, the sales of Straw Hats decreased for the first time in nine years. Sales of Ladies' and Men's Bodies also decreased during the year with the heavy influx of imports from low wage European manufacturers.

With the acquisition of the assets of Buckley-Brooks Hats Limited of Montreal during the past year, your company has further advanced its participation in the Fur Felt and Straw Hat market.

GENERAL:

During the past year your company changed the name of our Cap and Hat division to Biltmore (Western) Limited to further utilize the well known Biltmore label.

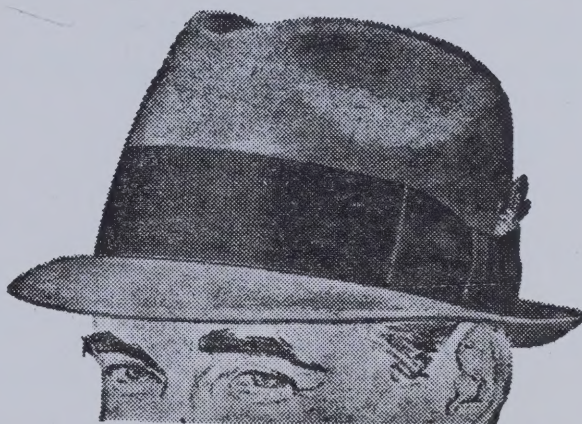

The success and growth of the company has in large measure been due to the united efforts of employees in their various capacities.

The Directors record their grateful appreciation to all groups — customers, employees and shareholders who contributed to the most satisfactory results during the past year.

On Behalf of the Board of Directors

Norman McMillan, President

AUDITORS' REPORT TO THE SHAREHOLDERS

We have examined the consolidated balance sheet of **Biltmore Hats Limited** and its wholly owned subsidiary as at October 31, 1965 and the consolidated statements of profit and loss and earned surplus for the year ended on that date and have obtained all the information and explanations we have required. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion, and according to the best of our information and the explanations given to us and as shown by the books of the companies, the said consolidated balance sheet and consolidated statements of profit and loss and earned surplus are properly drawn up so as to exhibit a true and correct view of the state of the affairs of the companies as at October 31, 1965 and the results of their operations for the year ended on that date in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
